Mr Neil Laurie
The Clerk of the Parliament
Parliament House
George Street
BRISBANE QLD 4000

Dear Mr Laurie

I refer to e-Petition 4075-24 tabled in the Legislative Assembly on 11 June 2024 titled *Let Queenslanders have their say on daylight saving*.

I note the petitioners' views that daylight saving could enhance social, business and community activities in Queensland, including through achieving consistency with other eastern states.

The introduction of daylight saving in Queensland is not currently under consideration by the Queensland Government. The Government believes there are other priorities facing Queenslanders that require attention, including community safety measures and helping Queenslanders with cost of living.

I thank the petitioners for bringing their views on this matter to the attention of the House.

Yours sincerely

YVETTE D'ATH MP
Attorney-General and Minister for Justice
Minister for the Prevention of Domestic and Family Violence
