Dear Mr Laurie

Neil

Thank you for your email of 14 March 2025 regarding Parliamentary Petition No. 4213-25 concerning the Code of Practice for Native Forest Timber Production on Queensland's State Forest Estate.

The Code is due for review in 2025 and consultation with relevant parties will be included. The review will consider a range of matters including habitat measures for gliders. The review of the Code will also be linked with the Department of Primary Industries' development of the Timber Action Plan.

I trust that this information has been of assistance to the petitioners.

Yours sincerely

Andrew Powell MP
Minister for the Environment and Tourism
Minister for Science and Innovation
