The Clerk of the Parliament
Parliament House
George Street
Brisbane Qld 4000

Dear Mr Laurie

I refer to petition numbers 2325-14 and 2278-14 lodged with the Legislative Assembly by Ms Jackie Trad MP, Member for South Brisbane about parking around Cannon Hill Railway Station.

I note that under policies put in place by the previous Government, including the Principal petitioner Di Farmer, Cannon Hill station would not be eligible for additional park 'n' ride spaces, as it lies within 10km of Brisbane's CBD.

The current Government has made significant steps to improve park 'n' ride policy across South East Queensland.

This includes scrapping the previous Government's policy of no park 'n' ride spaces within 10km of Brisbane's CBD. This has allowed the government to deliver additional park 'n' ride spaces at the Carindale shopping centre.

I can note for the House that there has also been strong local representation for additional parking facilities at Murrarie Railway Station. This request made by the electors of Bulimba, sponsored by local member Aaron Dillaway, will be considered by the department.

Yours sincerely

Scott Emerson MP
Minister for Transport and Main Roads
