Mr Neil Laurie
The Clerk of the Parliament
Parliament House
George Street
BRISBANE QLD 4000

Dear Mr Laurie

I refer to a petition number 2371-15 and 2392-15 lodged with the Legislative Assembly by Mr Stephen Bennett MP, Member for Burnett about turning arrows at Davidson Street and Bundaberg-Bargara Road intersection, Bargara.

I am pleased to advise that on 1 June 2015 works were completed to deliver an upgrade to the existing traffic lights at the intersection.

As a result of the upgrade, new dedicated right turning arrows for traffic turning from Davidson Street onto Bundaberg-Bargara Road are operating on both sides of the intersection.

I understand that this upgrade will help eliminate conflict between traffic turning right and opposing traffic travelling straight through the intersection and that the concerns raised in the petition have now been addressed.

I trust this information if of assistance.

Yours sincerely
