Mr Neil Laurie
The Clerk of the Parliament
Parliament House
George Street
BRISBANE QLD 4000

Dear Mr Laurie

I refer to petition 3973-23, lodged with the Legislative Assembly on 13 February 2024 about construction of a vehicle and pedestrian bridge between Bellbowrie and Riverhills.

The Moggill Pocket Arterial Road corridor has been preserved for future development, potentially including additional Brisbane River crossing capacity.

Currently, there are no plans to construct a new bridge between Bellbowrie and Riverhills. The Department of Transport and Main Roads (TMR) acknowledges the feedback from the community, and notes that all projects will be considered for the holistic benefit to the community and will have to compete for funding with other statewide priorities. TMR assesses a range of factors in this statewide prioritisation and will monitor the area as traffic and population increases.

I trust this information is of assistance.

Yours sincerely
