
Energy and Water Legislation Amendment Bill 2013

Explanatory Notes

FOR

Amendments To Be Moved During Consideration In Detail By The Honourable Mark McArdle MP

Title of the Bill

Energy and Water Legislation Amendment Bill 2013

Objectives of the Amendments

The objective of the amendment is to rectify a typographical error in the original bill.

Achievement of the Objectives

The amendment will ensure that the Bill reflects the original intent of Clause 15.

Alternative Ways of Achieving Policy Objectives

N/A

Estimated Cost for Government Implementation

N/A

Consistency with Fundamental Legislative Principles

The amendment is consistent with the Fundamental Legislative Principles.

Consultation

The proposed amendment arises as a result of the consideration of the Bill by the State Development, Infrastructure and Industry Committee.

NOTES ON PROVISIONS

Clause 15

The original intention of Clause 15 was to provide the ability for specific compliance activities relating to the creation of Gas Electricity Certificates to take place in 2014. As currently written, the Bill refers to 2013. The proposed amendment will rectify this.
